This relaxing, handwork class will be a great way to learn or enhance your English paper piecing skills.

Students will learn different ways to combine three common shapes; hexagon, Dresden plate, and six-pointed diamond. All shapes are prepared in advance by the instructor so that when class starts, we can get right to sewing!

Students will have a choice of fabric color and of light and dark options. Fees include a complete kit with all the materials needed to get started. Kits contain: all fabric needed for the background, precut fabric shapes, papers, thread, and needles.

Supply List: The only items needed are a small pair of sharp scissors and a Sewline or Fons & Porter brand glue pen. Optional supplies: Small task lamp, thimble, and thread conditioner. Bring a sack lunch or money for Buchetto's.
